Sheer filth, for the readers, from the readers...

HOTEL HUMPING!

The saying goes that gentlemen prefer blondes, but I say fuck that and bring on the redheads. Then again, I've never considered myself to be the gentleman type, to say the least.

On a recent business trip to London I met an auburn-haired babe who, while she was one hundred percent posh, also happened to be the dirtiest girl I've ever encountered in my life. We met at a swanky club for swingers – she was sitting in a half-lit booth evidently perusing the room for her next fuck, and I was perched at the bar doing exactly the same. I made sure that when she looked in my direction, she'd see me staring straight back at her. At the moment it happened, I raised my glass and nodded. When she reciprocated my nod I took it as a signal that I'd be dipping my dick in her sweet twat sooner or later.

I walked over to her, my cock getting harder with each step, and was greeted with, "So, my place or yours?" Sooner, then.

"As my hotel is within walking distance and I need to fuck you senseless as soon as is humanly possible, then I'd say mine," I answered.

To which she replied, "Spoken like the horny bastard I took you for. Lead on."

At the hotel, within minutes of walking through the door, Red propped herself up against the glass-bricked wall that separated the bedroom from the bathroom and began tearing off her clothes. Having watched every lascivious moment, the second she shimmied out of her knickers I was out of my own clothes in a flash. I pushed Red against the wall, pulled her legs up around my waist and slid my cock inside her juicy pussy.

Gasping loudly, she tightened her grip on my shoulders to the point where her nails dug into my flesh. But I felt no pain. Pumping relentlessly, all I could think about was the glorious feeling of the cunt wrapped around my cock. I'd aimed to cum quickly the first time whether Red did or not, then go for a slow comfortable screw in round two. My plan panned out perfectly,

and after no longer than a couple of minutes I started to feel the sap rising in my knob. As I shot my spunk deep inside Red's super-tight cunt she stiffened, then started shaking, lost in her own orgasm.

I slowly lowered Red off the wall and dragged her onto the bed. "Get on all fours, and act like a dog!" I said sternly. She obeyed me immediately, and to my surprise took it a step further by yapping and growling. I laughed and said, "Stop the canine chorus, or I'll lose my stiffy!"

Red did as I asked, then reached between her legs and started finger-fucking her cunt. Juices oozed between her digits and ran down the insides of her thighs. I lapped at them, then quickly rimmed her arsehole before ramming two fingers where the sun doesn't shine. Red's brown eye received them with ease, and her arse muscles started contracting on and off them.

As Red upped the speed of the digits ploughing her pussy, I did the same with the ones in her bum. She started panting loud and fast, a sure sign that she was about to blow. Then, a few seconds later, she howled and pulled her fingers from her snatch, allowing a thick stream of cunt ejaculate to shoot from her slit and splatter my chest.

Red was still quivering when I pulled my fingers from her bum and rolled her over onto her back. Parting her legs, I pulled her towards me. Then I drove my throbbing cock deep into her sodden snatch. Red crossed her legs around my back to hold me deep inside her, but not so tightly that I couldn't fuck her hard. I increased the ferocity and speed of my thrusts, and it wasn't long before the pair of us were thrashing around in a blur of sweat, spunk and pussy cream as we simultaneously came – me all over her heaving hooters. Blondes? Who needs them?

VICTORIA

PHOTOGRAPHY: HICKS PHOTO

How very kind of Victoria to invite a *MensWorld* staffer around to her L.A. house to interview her by the pool. The lucky boy was even invited to join her in the pool for 'some fun'. Unfortunately, he then had to reveal that he couldn't swim, at which point Victoria rapidly cooled on him. He tried to get back in her affections by asking if she had a float or any armbands he could use, but for some reason that failed to turn her on. Basically, if he could swim, like any numpty should be able to, he'd have probably got to fuck Victoria. That's the Victoria here in these pictures. The gorgeous, adorable and highly-sexed Victoria. Can't swim? What a knob...

SEAMEN STAINS!

Our family is notorious for throwing a good party and my sister's wedding was by no means an exception. Nicola isn't one for sentimental rubbish and stipulated she didn't want a big, fancy white wedding. So after a quick ceremony, the guests got down to doing what they do best – getting pissed and having a good time. Although she'd decided not to go for the fairytale wedding, Nicola wore a gorgeous gown and chose me a beautifully simple bridesmaid's dress. I felt like a real cock-teaser, strutting around the hotel in such a low cut, figure-hugging dress – especially when I knew I was wearing sexy underwear underneath.

I spent a little while talking to our relatives but have to admit most of my time was taken up flirting madly with the groom's mates. Tony is in the Navy and most of his friends were in their uniforms – something that I can't resist at the best of times. Andy, the best man, is a great laugh and we've always got on really well so when he leaned over to whisper in my ear, I didn't take him seriously at first. "You've heard what they say about the chief bridesmaid haven't you?" he asked, his eyes twinkling with mischief. "She always ends up getting a good seeing to. I wonder who will be the lucky boy to have you tonight Debbie."

Fuelled with champagne, I giggled hysterically, but as I did I noticed Andy's eyes were fixed on my generous cleavage. When I realised he could be serious; a surge of excitement tore through my body and I was overcome with an urge to be outrageously sluttish. Even though I knew he was married, I leaned closer, allowing Andy a better view of my big, round tits. My brown nipples stiffened with arousal as I felt him studying my chest.

When he eventually managed to take his eyes off my heavy boobs, I held his gaze for a few seconds before licking my lips suggestively. Andy crossed his legs, desperately trying to hide the growing bulge in his trousers. But his mate Ian had already spotted something was going on. "Isn't it about time you two went up to the honeymoon suite to prepare the bed," he said winking to Andy and handing him a bag of confetti and rice. By that point we didn't need an excuse though and sneaked out to the lift. As we climbed the five storeys, Andy threw me against the lift wall, kissing me passionately and rubbing his solid cock against my body.

When we got to the room, we were both gagging for it and the moment we stepped inside we went wild, snogging until I almost couldn't breathe with excitement. Andy pushed me face down onto the bed

and as I panted in anticipation, he lifted up the skirt of my long gown, revealing my lacy panties and suspenders. Desperate to get inside me, he roughly tore down my knickers and I thrust my bum up into the air, begging him to fill me with his prick.

It was so wonderfully rude, displaying my soaking holes as Andy scrabbled to unleash his cock from his trousers. Then I felt his warm bell-end nudging against the entrance to my tight little pussy-hole. I opened my legs slightly to give him better access and impatiently pushed back against him, keen to feel his width stretching me open. Andy's cock was bigger than I'd imagined and I gasped as he slowly fed it into my sticky snatch. Inch by inch, he forced it inside until I felt his swollen balls slapping against by buttocks.

At first the sheer width brought tears to my eyes and I waited knowingly for the pain to turn to pleasure. In a split second the familiar sensation flooded through my cunt and I wriggled around as Andy skewered me to the mattress with his prick. The end of his penis touched my G-spot perfectly and he gathered momentum, pulling his cock out almost to the tip before ramming it hard back inside my snug passage.

"Jesus, your pussy's so tight Debbie," he moaned and I concentrated on gripping my fanny muscles around his prick to give him the tightest possible shag. Andy squeezed my ripe tits as my pussy swallowed his prick and every time he thrust his body towards me he gripped my boobs hard.

With my face buried in the bedclothes and in a state of ecstasy, I didn't hear the door open or realise that we were being watched. In fact I only became aware that Ian was in the room when I felt another pair of hands stroking my hair. When I looked up, Ian was standing at the other side of the bed, with his throbbing cock in his hand. He'd guessed what we were getting up to and said he'd always wanted to share a girl with another bloke.

"Suck me off Debbie, while Andy fucks your cunt," he pleaded, gently wanking his prick. A trickle of pre-cum glistened on the tip and I nodded, glad to oblige but unable to speak because of the pounding Andy was giving my pussy. Ian knelt

& Jo

Bush has been making something of a comeback in porn recently – and we're not against it, it truly takes all sorts – so we thought we'd ask Barbie and Jo what they thought. You know, get a female perspective for a change.

To be honest, we didn't think they were that interested. They just waved us away and focussed on sucking each other's tits and enjoying a sweet sampling of the pussy juice on offer. Fair enough, hot lesbo sex is more enticing than debating porn trends with *MensWorld*. We understand that. But when both girls had finished cumming – numerous times, we might add – they turned to us, smiled, showed their teeth and said, "Look, no pubes." We guess they've made their minds up, then!

GUEST STARRING

Jo Guest

Jo Guest defines the classic blonde glamour girl for many people – including us – but we're not averse to watching her bring out 'Dark Jo'. It's not just a case of slipping on a black wig, it's a change in attitude that sees her change from her usual bubbly self to a kinkier, more dominating personality. This is when, instead of you throwing Jo about on the end of your cock, she'd be the one telling you exactly what to do, when and for how long. And if you don't do it right, heaven help you. Dark Jo doesn't come out that often but, believe us, when it does, it's worth making the most of...

We know we're facing environmental calamity, and there are all kinds of problems they could be tackling, but we're still glad that scientists recently took time out to research and invent the perfect pair of shorts for glamour models to wear.

The results, revealed here exclusively on the none-finer form of Julia Crown, were well worth the wait. Skimpy, tight, but not too sluttish, in a shade of grey that is alluring but will let the slightest hint of pussy moisture show through, these shorts are the culmination of years of research and experiment by Nobel prize winners with an unhealthy interest in the female sex areas. Unfortunately, they cost £600K a pair at the moment, but we're sure that will come down soon...

Kenzi Marie

PHOTOGRAPHY: SCOTT ST JAAMES

California born porn star Kenzi Marie has such a shock of blonde hair, and such ace big tits, that you'd be forgiven for not realising she's only 4' 11" tall. But you're not going to mistake her for Jeannette Krankie in a hurry, are you?

Despite her diminutive size, Kenzi hasn't ducked any challenges on screen, weighing in with lesbian, anal and lots of other good stuff. She might need help reaching things high up on the shelf, but she doesn't need any help with fitting a big cock up her arse. Attagirl!

Jelena

PHOTOGRAPHY: HOLLY RANDALL

Confession time: Most of the *MensWorld* team have signed a pledge saying we'll leave our wives/girlfriends if Jelena Jensen asks us to.

Basically, we've all got a serious hard-on for her, and we'd up and leave the missus and the mortgage and the friends and the pets and the kids and the recordings on our Sky+ boxes just for one quick suck on those tits.

It might sound drastic, but they are one amazing pair of tits. See, it all makes sense now, doesn't it? Over to you, Jelena...

A Million Dollar Hoax (Private/ Magik View)

Private have started putting out material by Magik View recently, which takes us back to the time when Private was a feature-making powerhouse. They throw a great cast at this cracker, packed full of Euro sluts like Cindy Dollar, Aliz, Tarra White and Nataly Von. Sophia Santi drops over from the States to do a rare boy/girl scene, but she's not looking all that, to be frank. Happily, her fellow imports Brooklyn Lee and Kortney Kane are both on sizzling form. Cute girls, a boat, lots of sex. Where do we sign up?

Jack's POV 19 (Digital Playground)

7/10

We haven't dropped in on Jack for a while, but the promise of Bibi Jones on the cover – and the news that she's taking a load from Manuel Ferrara's goo-gun – has us revisiting one of our favourite series. Charley Chase brings some energy to her scene, and we'll never tire of seeing Alanah Rae wrapping her amazing tits around a cock. Katie St. Ives bounces up and down on her chosen cock with glee. The only skippable scene is Lea Lexi's hook-up with Manuel. So, lots for your balls here, but the unpossibly cute Bibi catching jizz is the winner.

GAZZMAN

Gazzman shows his feature chops with this latest from Harmony, but what'll really stun you is the size of the dicks these girls take on. Signing up for this and being told you're going to co-star with Danny D and Nacho Vidal must be daunting for even the sluttiest star, as you're going to get quite the pounding. They handle it with aplomb, the stupidly sexy cast topped by the sultry Ferrara Gomez, who gets some girth from Nacho.

Busty Anal Housewives (Pumpkin Media)

Pumpkin don't mess about with plot – it's straight down to big-boobed anal action. It might seem a bit skimpy with only 4 scenes, but there's still two hours plus of fucking to be enjoyed here. In fact, you don't need two hours to get off when there's a rare boy/girl from the lush Carmen Gemini on offer. This smoldering, all-natural hottie doesn't seem to have taken cock in ages, so to see her giving up the backdoor is a treat. Oh, Kate Jones' searing DP isn't short on the ball-emptying encouragement either…

FANG BANG

Deep within the lush highlands and grassy moors of Northern England, legends of a man-eating werewolf are more than just local folklore. Coming face-to-face with the mythical menace, Richie and Dane Cross's lives are about to change when a chance encounter renders them powerless against the hound from hell.

This is the chilling premise surrounding director Jim Powers' latest adventure for Smash Pictures with *An American Werewolf in London XXX Porn Parody*, a diabolical distortion that is chock full of bone-chilling thrills and spills. With the full moon looming overhead and the mind-numbing sound of wolves howling their allegiance to the darkness, are you ready to journey into the abyss with the creepy creatures of the underworld? Take a deep breath and proceed with caution. We're moments away from entering The Slaughtered Lamb, a local pub that is to become the backdrop to this heinous escapade and, consequently, our first step into hell.

Upon entering the seedy establishment, Dane Cross and Richie,

An American Werewolf in London XXX Porn Parody

Starring: Jessie Andrews, Brett Rossi, Riley Jensen, Lexi Ward, Valerie Foxxx, Sophie Dee, Richie, Dane Cross, Anthony Rosano, Ben English.

Directed By: Jim Powers.

Available From: Smash Pictures.

Is nothing sacred? Jim Powers and the Smash Pictures crew have just sexed-up another classic movie (sorry, no Jenny Agutter chowing on cock, however). Emma Edwards is lycan' what she sees…

two hitchhikers from America, become well aware that they are far from home. Greeted with blank stares from the blue-collar crowd, they are instantly warmed when Jessie Andrews, the sexy barkeep, approaches. "We have spirits and beer. Don't be a couple of pussies. Drink like a man, fuck like a man," she charges, immediately locking eyes with Dane. Smitten with the statuesque blonde, in tight denim shorts, Dane is eager to become better acquainted with her English muffin.

Motioning him to meet her in the back of the bar, Dane excuses himself, ready to rock her world. Slamming him against the wall, Jessie ardently paws up and down his body, paying close attention to the impressive bulge in his pants. Adoring him with her gorgeous hazel eyes, Jessie rests Dane on a side chair and gets to work on his cock. Using a corkscrew method, Jessie wraps her hands around his shaft, sucking his mushroom tip in unison. With slobber trailing down the sides of her lips, she teases, "I love the taste of American cock!" Holding her face in place, Dane shimmies his hips and allows his nuts to squish up against her chin as he chugs, "Oh yeah, what about the taste of American balls?"

Now ready to take things to the next level, Powers asks her to continue the scene in reverse cowgirl by shouting, "Let's see that perfect body of yours in action." Smiling at the friendly director's personal request, Jessie peels her soggy peach-coloured panties down her slender legs and parks Dane's pecker into position. Sinking her well-manicured toes into the grungy corduroy fabric, Jessie swivels her hips in an S formation, causing Dane to pant like a

“DANE SHOWERS HER WITH SPLASHES OF HIS COCKTAIL”

puppy while she chases her looming orgasm. After several more arrangements and climactic releases that perfectly accentuate Jessie’s rising star accolades, Dane showers his blonde barmaid with splashes of his frothy cocktail. “What a beginning,” the famous director compliments.

As the last drop of spunk hits her lips, Jessie’s father, a drunken Englishman, saunters into the room and demands that Dane leave his establishment at once. “Daddy, they can’t go outside. It’s murder,” Jessie cries, knowing damn well that the hills are alive with werewolves. “Well, fuck ‘em. It’s murder then,” he charges, kicking the men out and closing the door behind them.

Now alone in the dark, foreign landscape, the creatures of the night start making themselves known. “What the fuck is that sound?” Dane worries, as the guttural growls of howling wolves comes close and closer. “It’s following us,” Richie agonizes, watching the werewolf crash through the hedges, claiming Dane’s life and biting him as he flies through the sky.

Saved by the well-armed barflies, Richie is rushed to the local hospital. Immediately upon his admittance, he begins suffering from demonic dreams, as his body begins morphing into a werewolf. With lines and tubes affixed to his wounded body, Richie tosses and turns across his hospital bed, lost in a perpetual nightmare that has his head spinning. Finding himself sitting in his childhood home, he’s startled when the doorbell rings. Upon opening the door, two Nazi werewolves, armed with machines guns, burst into hardcore action. Tearing the atrocious masks off their beautiful faces, Brett Rossi and Riley Jensen leap onto the kitchen counter. With passionate kissing and roving hands, they explore each other’s body, worshiping their soft curves and supple

skin. “Shove that tongue up my pussy,” Riley charges, standing on the countertop, exposing her fat pussy and clit to Brett’s outstretched tongue. Squatting underneath her, Brett smashes her pretty face between Riley’s thighs, working up some serious pussy foam as she works her mouth around her meaty labia like a potter’s wheel.

Once Riley releases an orgasmic splash against Brett’s pink lips, the girls lock their legs together against the cool tiles. With their clits French kissing in the middle, the girls mill their pussies together, causing an audible sloshing noise that sounds like snow cleats swishing against ice. With her hands wrapped around Riley’s back, Brett begs, “Baby, I’m almost there!” Soon, Brett’s chest turns bright red and her skin chills, as we all watch her orgasmic wave crash through her body.

Upon waking up from this nightmare, Richie nearly falls off his bed when he sees Dane’s decomposing body standing at the threshold of his room. “Aren’t you supposed to be buried somewhere in New York?” Richie pleads, utterly chilled to the core at the gruelling site of his dead friend. “I’m here to warn you. You are turning into a werewolf. You must take your own life and end this immortal curse,” Dane says, eventually exiting as mysteriously as he arrived.

Seeking comfort and understanding in the arms of his sexy nurse, Lexi Ward, Richie pulls her in for a passionate kiss. Feeling sorry for the weary traveler, Lexi brings Richie home to care for him after his release. Upon entering the house, Richie ravages Lexi across her bed, gorging on her humongous hooters, and pawing at her hairless hole like a dog in heat. “Fuck, you’re beautiful,” he compliments, licking the buttery sap from his sticky fingers before going in for another round of finger banging.

Hungry for more fingers, Lexi opens her legs and urges him to explore her hole some more. “Please make me cum,” she sighs, licking her lips and pinching her sharp nipple points. With his fingers and his tongue, Richie takes his time exploring her vaginal canal, tickling the rim of her tanned asshole at every opportunity that presents itself.

Flipping her around the bed, inspecting her girly parts, Richie becomes quite found of her thick ass, opting to cream her seams in a sprawled out doggie spread. Causing her tits to wildly bounce below and her pussy to leak, Richie rides this sweet tart to pop, dishing his gravy out against her swollen pussy lips. It’s an outstanding display!

As the full moon begins cresting in the cloudy sky, Lexi bids Richie adieu and heads for her night shift. Haunted

"WRAPPING HER TITS AROUND HIS COCK LIKE A PIG IN A BLANKET"

by Dane's imminent warning, Richie lies motionless, fearful for the monster he is to become. Again falling under the spell of a restless sleep, Richie escapes into the night, transforming into a beast he's feared. Claiming innocent victims at every juncture, Richie's murderous spree rings out of control. Watching a sexy couple frolicking in a nearby park, Richie's set his sights on his next victims.

Meanwhile, Anthony Rosano and Valerie Foxxx, London socialites, are planning an intimate dinner party. With an hour to spare before their dinner guests are due to arrive, Anthony decides to treat Valerie's rounded body as his main course, diving into her juicy parts with his ravenous appetite. "Spread your legs open," Anthony insists, yanking her limbs apart like a juicy rotisserie chicken.

Securing his mouth around her pussy as if it were an oxygen mask, Anthony gets to work, perfecting his oral technique. Flopping around the bed like a flounder, Valerie tugs on her store bought titties, flailing her legs around the striped bed sheets. "Stick that fucking cock inside of me," she later hisses, as Powers holds his camera a mere inches away from her swollen slit.

With her legs already spread, Anthony heaves her to the edge of the bed, popping his cock inside her snapper in missionary position. Spilling her delights down the side of the bed, Valerie holds herself open at the knees, watching her pretty pussy be repeatedly penetrated, unaware that her dinner guests will never arrive. Ending with a pop across her pussy, Valerie ensures the show continues on a very high note by moaning to the crowd, "So, how was that?"

The following morning, and after news of the murderous spree is revealed, Nurse Lexi Ward rushes through the streets of London. Anxious to tell Ben English and Sophie Dee, the head physician and head nurse on Richie's case, of her suspicions, she's unable to reach them by phone.

Unbeknownst to her, Ben English and Sophie Dee are busy exploring each other's anatomy in an empty hospital room. Coming out of retirement just for this impressive role, Ben reconfirms his star status by fucking the living daylights out of Sophie Dee. Wrapping her tits around his cock like a pig in a blanket, Ben makes the most out of her bazooka boobs, later working her tonsils with the tip of his wang. "Let's see what else you can do," Ben charms, keen on discovering Sophie's other tight spots.

Assembling her in several more steamy poses that keep her porn star tits the star of their encounter, Ben gets the most mileage out of her in missionary position. Steadily coaxing multiple orgasms from her gooey gash, Ben doesn't stop until Sophie's practically depleted of all hydration. Almost to the point of shriveling up, she's revived by his salty semen splash.

Later going on a wild goose chase in search of Richie, you won't believe where he's eventually found and what atrocities the story has yet to unfold. Without a doubt, it's a dubious ending for a parody project that is definitely worth sinking your fangs into!

on the bed, making sure I could reach his glans easily and while Andy continued to fill me with meat, I began gently licking my second cock. I love giving head and consider myself a real expert. I never stop until I've milked every drop of cream from a bloke. But this was something else. I felt so fucking horny; being spit roasted by two men in uniforms while wearing a bridesmaid's dress. Ian's cock was bigger than most and I gagged at first before getting used to the way it bumped against my throat. I concentrated on giving him long, wet strokes so it felt like he was screwing a tight juicy snatch. His prick responded immediately, twitching with excitement and I gently took hold of the base to wank it in time with my mouth.

The excitement of the situation quickly took its toll and I felt a massive orgasm mounting in my pussy. Andy must have realised this and started banging me even harder. Reaching between my legs, he started to rub my clit as he jerked his cock inside. The combination of two cocks coupled with clitoral stimulation sent me over the edge and I shuddered as the most amazing climax shook through my body. I had to release Ian's prick from my mouth as I struggled to get my breath back but Andy didn't stop his shagging. He moaned that he was about to cum and I felt him shoot his hot load into my pussy before collapsing onto the bed in satisfaction.

Keen to finish what I'd started with Ian, I clambered onto the bed – feeling Andy's spunk dribbling down my thighs. Squatting over Ian's raging hard-on, I could now give my full attention to sucking him off and clamped my plump lips around his shaft.

"Ohh fuck, that's amazing," he whimpered as I flicked my tongue over the tip while wanking him with my mouth. I pulled down my dress to give him access to my big tits and Ian kneaded them hungrily as he moved closer and closer to firing his muck in my mouth. Within a few seconds, I felt his balls stiffen, ready to release their spunk and I prepared myself to swallow the whole lot. But at the last moment Ian pulled out of my mouth and covered my boobs in streams of cream. His body shook as he emptied the lot onto my cleavage and I proudly rubbed his load into my glistening skin. The three of us lay on the bed for a while recovering and after stuffing it with the confetti and rice, returned to the bar to enjoy the rest of the party.

SHARED SLUT!

My husband Nat often fantasises about me fucking other guys, so when I kept catching my colleague Jamie looking at me, I flirted like mad with him. He's a few years younger than me and kind of sweet, seriously in need of a bad influence! By the end of one full week of merciless cockteasing, I finally took him and his raging hard-on home.

I was honest – I told him I was married and my husband would most likely be home in the next hour. Okay, so my hand was already inside of his fly when I said it, so he wasn't going anywhere… Then I got him naked. Tall, lean blokes like him usually have a nice big dick, and he was no exception. I curled both hands around it and started to stroke him, his helmet tantalisingly close to my mouth. He moaned for me to suck him but I made him wait, until his tip was wet and seeping pre-cum. Then I swirled it over his helmet with my tongue before taking him inside of my mouth. This was just meant to get him hard, but the taste of him, the feel of his fat dick cramming my mouth was too addictive. His salty pre-cum coated my tongue, lubing it, and I let him slide in and out. He was cupping and squeezing my boobs as I blew him.

Then he was blowing his load. The first jet hit me right in the back of the throat, but I helped myself to a mouthful, before stroking the rest out all over my boobs. He came so much, dripping strings of it all over my globes. I raised a nipple up to my mouth and licked it clean, seeing him grit his teeth as the sight of it sent a quick jolt through his dick, still tender from cumming.

It wasn't long before we were starting again – I wanted him good to go when Nat got home. When I heard his car pull up outside, I got Jamie on his back, working his dick against my slit as I straddled his crotch. Then I sunk down and started to ride him.

Jamie panicked a little when he heard Nat's key in the door, but I said no worries, he'd be alright with it. "Hey, honey…" I said sweetly, like I didn't have some younger bloke fucking underneath me, seven fat inches of dick stuffing my snatch to the brim.

I asked Nat did he want me to suck his cock. He said no, he'd wait his turn. Then he stood behind the bed, so he could watch me grind around on Jamie's prick. He got on his knees, splaying my cheeks with his hands so he could see every inch sink in and how the shaft stretched my hole open.

I went slowly, squeezing Jamie's cock with my cunt muscles, and Nat sucked on his own fingertip and started tracing it around my arsehole. I braced myself but then he pulled away. Now it was my turn to be kept in suspense!

I won't deny I was getting off on having this younger guy's hard dick inside

of me, but I'd never wanted Nat's cock more. I rode Jamie hard and fast – the poor boy was groaning, gasping for breath as he tried to thrust up to meet my slamming pussy. Finally, he let out a yell as he started to shoot his load. I splayed wide and shoved my boobs in his face as he craned to reach them.

Nat didn't get to see a cumshot just yet, as Jamie stayed buried in my fanny until his balls were totally empty. He was still rock-hard when he pulled out, and I reached back and rubbed his wet helmet against my bumhole. Then I backed up, arse overhanging the end of the bed for Nat to lick my pucker. He'd already lubed his cock and now he slid it in. I was moaning, so fucking horny as Jamie started to suck on my tits and my husband ploughed my tight little arsehole.

I began to frig my clit, then grabbed Jamie's hand to do it for me – he caught on quickly and soon my crotch was in spasm, arse tight around my husband's meat. He let me cum again, then screwed me fast until my arse was flooded with spunk too. Nat took a picture of me, dripping cum from both holes – possibly the nastiest, sexiest shot I've seen in my life. Now we've promised Jamie a souvenir copy, provided he fucks me to satisfaction a few more times!

After her earlier caterpillar stage as 'Riva' (but one sexy caterpillar, we might add), this babe has since become the banging butterfly Megan Coxxx, star of many a sizzling porn film. And she's all ours, fellow Brits. Yep, we might have no empire left, and we're rubbish at most of the sports we invented (except for cricket, obviously), but we can still punch well above our weight when it comes to world-class porn stars...
